Professional Experience

Hollyday Med Spa + Aesthetics Lobby/Web Videos - Kansas City, MO 2019

Director, DP, Sound Mixer, Editor

Hollyday Med Spa + Aesthetics offers a wide range of treatments to their clients. I helped the client turn their ideas into screenplays and we produced 5 one to three minute videos in a single day, single camera shoot.

Oral History with Luci Banes Johnson, daughter of LBJ - Independence, MO 2018

DP, Camera Operator, Sound Mixer

- One man production crew for third party hired by Harry S. Truman Presidential Library
- Worked with deference and tact with VIP interviewee.

Outdoor Troubadours Television Series - Austin, TX 2014 - 2016

Executive Producer, Field Producer, Camera Operator, Editor

Outdoor Troubadours was a 30 minute hunting show. In each episode a new celebrity guest star would join the host of the show to go on an exclusive hunt. At the end of the episode the guest star would perform their latest single live.

- Co-founded Outdoor Troubadours LLC and helped refine series concept and secure airtime.
- Produced 24 episodes of broadcast television for Sportsman Network (US), Pursuit Channel (US), and Wild TV (Canada).
- Assisted writing scripts, planning travel and lodging, and ensuring all legal and necessary release forms and permits were signed and filed.
- Wrote call sheets and shot lists. Field Produced. Reviewed dailies, wrote hot sheets, and managed data information transfer.
- Ensured an organized, expeditious, and safe environment on set at all times.
- Post-production manager of five subcontracted editors. Edited 50% of content individually.
- All episodes delivered to network on time and passed quality control on first review.
- Increased first year viewership from 650,000 in season one to 2,300,000 in season two.
- Created entire online presence and advertising, specifically on facebook, netting 167,895 video views.

Piscator Media LLC - Kansas City, MO 2011 - 2014

Owner/Operator

- Successfully grew client base and engaged in collaborative, client-facing conversation to identify their production needs.
- Produced and managed complete projects from conceiving, budgeting, scripting, shooting and editing.
- Generated \$40,000 in revenue with minimal overhead in each year.
- In year two each project included two subcontractors in the budgeting and began effectively managing multiple people on set.
- Produced over 120 online videos for dozens of notable clients; JDRF, TEDMED, KVC, KidsTLC, Think Big Partners, Alliance Affiliated Equities Company, among others.
- Twenty percent of clients became returning customers.

BMW International Media Launch of 2015 X6 M and S Series Convertible, RTV Film & Television (GER) - Austin, TX 2015

Camera Operator

Foreign journalist's three day cam-op for review of two BMW vehicles. Filmed at Circuit of the America's, and rural Austin, TX.

When The Clarks Go Camping, 5m Short Film - Austin, TX 2014

Director of Photography

Won "Best Use of Prop" at 48 Film Project.

Unite to Fight, 60s Spot for PKD Foundation. Reliant Studios (Lincoln, NE) - Kansas City, MO 2013

Production Assistant

Worked with Grip, G&E, and Camera departments.
